RETURN TO STEWART ISLAND ELECTRICAL SUPPLY AUTHORITY

For new connections, SIESA or its agent (Power Net) will evaluate total costs chargeable to you, and return this information for your acceptance. You or your Electrician will require a Certificate of Compliance to undertake electrical wiring as to Electricity Act 1992. SIESA will not live without a completed Certificate and accepted costs.

To the Consumer

Stewart Island Electrical Supply Authority has in conjunction with New Zealand Electricity Regulations and Electrical Wiring Codes of Practices, terms and conditions which apply to SIESA only.

Copies of the terms are available at Southland District Council, 15 Forth Street, Invercargill 9840 or Stewart Island Area Office, Ayr Street, Stewart Island 9846. Costs towards new connections or changing existing energy capacity may include:

1. Standard new connection charge \$3,000 plus GST connection to the boundary.
2. All costs within the consumer's property boundary are the responsibility of the consumer.
3. All line work including transformers on road reserve, or other property, plus equipment and materials is chargeable on economic calculations to the consumer or consumers.

A refundable bond of \$150.00 is payable at time of application. This bond is refunded after 12 months supply with good payment record, or when the connection for supply is terminated (whichever occurs first).
